On April 19, 2023, the K-Pop industry was rocked by the news of Moon Bin’s passing. The news of his untimely death sent shockwaves through the world, leaving

his fans and the wider music industry in a state of mourning.

Moon Bin, who was known for his incredible talents as a singer, actor, dancer, and model, had left a significant impact on the industry during his career.

He was widely recognized as one of the most talented and versatile artists of his generation, and his contributions to K-Pop will not be forgotten.

Moon Bin will be greatly missed, but his spirit and his art will live on through the memories and the impact he has left on the K-Pop industry.

In September 2020, he was also announced as one of the fashion models for the brand Nerdy Cafe.

His death is undoubtedly a tragedy, and it is important to remember the joy that he brought to his fans and the legacy that he leaves behind.

Was Moonbin ASTRO Vaccinated?

ASTRO was vaccinated back in 2020 during the pandemic.
